An Essential Service on Campus

As an eligible student, you're automatically covered by one of the most important services on campus, the GSA Student Health & Dental Plan. It covers many benefits not provided by provincial health-care programs. Eligible students include:

- Full-time and part-time graduate students in September or January who pay McMaster fees, including international students, students on exchange, and MBA students
- Full-time Divinity students (automatically covered by the Health Plan only)

Certain exceptions exist. Please check your student account to confirm if you've been charged the Plan fees.
