An Essential Service on Campus

As an eligible student, you're automatically covered by one of the most important services on campus, the SGPS Student Health & Dental Plan. It covers many benefits not provided by provincial health-care programs.

Full-time on-campus graduate, law, undergraduate medicine, and education students who are enrolled at Queen's starting in September or January and who are under the age of 70 are eligible, as long as they have a provincial health plan or an OHIP-equivalent plan.

Certain exceptions exist. Please check your student account to confirm if you've been charged the Plan fees.
