An Essential Service for Students

As an eligible student, you're automatically covered by one of the most important services on campus: the UTSU Student Health & Dental Plan. It covers many benefits not provided by provincial health-care programs. Eligible students include:

- Full-time undergraduate (including professional faculty) students at the St. George campus
- Full-time Toronto School of Theology students

Certain exceptions exist. Please check your student account to confirm if you've been charged the Plan fees.
